

The **Alberta Back Care Pathway Physician Enrolment Process** involves:

Step 1: Get in touch

Give us your email (directly by scanning the QR code at the bottom left or through your PCN liaison) so we can get you started.

Step 2: Complete your REDCap surveys to register with us (MANDATORY)

Please complete REDCap SURVEY 1 sent to you by email asking for your consent. Then, complete REDCap SURVEY 2 by email asking for baseline information about you and your practice.

Step 3: Review the diagram of the 5 pathway categories (MANDATORY)

The pathway diagram shows inclusion criteria, overview of red flags, and the 5 pathway categories. Once you have completed SURVEY 1 and 2, you will be able to refer your eligible patients to the appropriate category.

STEP 4: Review the Consent to Contact (C2C) referral form (MANDATORY)

To refer a patient, fax us a completed Consent to Contact form.

STEP 5: Interested in refreshing your Hx and exam skills for LBP? (OPTIONAL)

We offer a series of online, interactive webinars on red flags, how to conduct a 10-min history/physical exam, and other topics like an overview of ABCp for your support team.

STEP 6: Need more info about ABCp? (OPTIONAL)

Scan for a link to a quick, 3-minute intro video about the ABCp →
